## New Jewellery For Winter at Minzenmays

The superb Pandora collection is available at Minzenmays, a traditional family jewellery business still operated by the Minzenmay family.

Minzenmay's have an extensive range of engagement, eternity and wedding rings, exclusive gold and silver jewellery, pearls and beads, children's jewellery, watches, clocks and weather instruments. They also have many beautiful loose gemstones, from which you can choose & have a piece of jewellery individually designed.

This winter sees the release of Pandora's new 14 carat solid gold designs, exquisite Black Onyx in Sterling Silver settings & new designs for the very popular Murano glass beads, which are available in a vast palette of Pink, Lime, Blue, White, Deep Green, Black, Brown, Red and Orange. Pandora jewelry has also released some new novelty beads, which includes Bunnies, footballs & a new fish design. The Pandora jewellery collection has over 600 beads to choose from.

Each Pandora bead has been uniquely designed in Denmark and lovingly handcrafted by our team of

experienced craftsman. The gold beads are solid 14 carat gold and the silver beads are made from sterling silver 92.5. All stones are hand set.

This season the new matching jewellery includes six collections, available in 14 carat gold and sterling silver. The new collection incorporates a stunning array of precious stones, like the art deco styled Black Zirconia's or Moon Stones, the Peridots and Black Onyx, Pearls and pink sapphires. The Pandora Jewelry collection offers matching necklaces, rings, earrings and broaches, all specifically designed to work together with the beads and the bracelets.

Prices range from \$27.00 for the novelty beads in sterling silver up to \$619.00 for the new gold ring featuring the natural coloured diamond.
